

British Alpine Racing Ski Clubs Championship Winter 2011

BARSC are pleased to announce that the Championships will return to the superb resort of Champoluc, Italy in December 2011.

The event will build on the success of the races in January 2011 and our partners in the resort, Monterosa Ski and Ski2 and launch the British winter season. Champoluc, Monterosa Ski and Ski2 intend to mark the opener with an exciting range of social and fun activities, including minis on the mountain, speed skiing with the champions, fireworks and party.

There will be three FIS NJR events, three BASS Children's races and 2 Minis races. The FIS Super G has been replaced by a FIS GS but a Children's Super G is retained.

- Saturday 17th December 2011 first team captain's meeting
- Sunday 18th December FIS GS 1
- Monday 19th December FIS GS 1 and Mini GS 1

Champoluc If snow precludes the running of the Super G, the organisers will aim to replace it with a GS. The TD rules committee is investigating two run races for Mini athletes and if agreed this may be incorporated into the programme.

Meribel SuperCombined. A FIS Super Combined is planned in Meribel on Saturday 28th Jan 2012

Bormio Italy Super G - We are investigating options for a FIS NJR and a BASS CH Super G in Bormio or Santa Caterina on Saturday 11th February 2011 or for another date in Austria.

Meribel Minis. We anticipate running our normal minis' races in Meribel in April.

More information will be given on all these events as soon as possible.
