

Competitor Registration Guidelines 2011/2012

1. General Conditions

In order to compete in Snowsport Scotland registered events in Alpine, Freestyle, Grass, Nordic and Speed disciplines all competitors must be registered with Snowsport Scotland.

All competitions are run under FIS rules as varied by Snowsport GB / Snowsport Scotland. Copies of the rules may be purchased from either office & downloaded from the FIS website www.fis-ski.com. It is the responsibility of the competitor to be conversant with the rules. Your attention is drawn specifically but not exclusively to the regulations governing: safety equipment; commercial markings on equipment and clothing; sponsorship; drug testing and gender verification requirements.

2. Club Membership

To compete at events on the Snowsport Scotland calendar all competitors must be current members of a snowsports club affiliated to Snowsport Scotland. This ensures that all competitors have the benefit of insurance cover, mandatory for FIS requirements. Please note that we will check with member clubs to verify all competitors hold current membership. Please provide a signature from the club secretary or other official in Section 4 of the registration form to vouch for your membership & hence insurance cover.

****Please note that if your address is outside of the UK you must organise your own civil liability insurance****
