

## SNOWSPORT SCOTLAND REFRESHER POLICY

It is a requirement of all Snowsport Scotland Licences that all members attend a one-day refresher course every three years if they have not attended any approved snowsport courses in any discipline.

If a member holds a number of different qualifications in one discipline they will be required to refresh the highest qualification they have.

Licences are only valid if the member has a current first aid and refresher in place.

Further education in Snowsport qualifications with other awarding bodies may be considered in lieu of attending a refresher. There is an administration charge of £15 for all non Home Nations & BASI qualifications.
