

## SNOWSPORT SCOTLAND RESIT POLICY

Resits can be offered to candidates of Snowsport Scotland Courses, who in the tutor's opinion have just missed the standards of the technical, teaching or leadership modules of the course. The student should have been working on the challenging aspect(s) throughout the course and been willing to improve and make the changes.

- Resits can only be taken within two years from the end of the course date.
- If the resit is subsequently failed twice then the whole course will need to be retaken.
- Resits are only available for one module of a course. Failing two or more modules requires a full course resit.
- Anyone taking a resit must be a current member of the Snowsport Scotland Coaching Scheme.
